December 2008

Dear Friend,

The Greater West Bloomfield Community Coalition for Youth is busy preparing for another year of working with our many members, partners and other community friends to continue our fight against the abuse of alcohol and other drugs through education, community action and involvement.

Please consider joining the GWBCCY for the 2008-2009 year and be a part of the caring, supportive energy that makes us effective. Our mission is to *build community partnerships to reduce high-risk behaviors including alcohol, tobacco and other drug use, to help ensure that our youth may grow to their greatest potential.*

Your contribution through membership helps us reach out to our community to make sustainable differences.

- Publish and circulate "Connecting for Kids" Newsletter
- Offer training opportunities
- Sponsor educational programs
- Conduct surveys and data collection to determine needs and available resources
- Promote prevention themed campaigns and events
- Coordinate community based initiatives
- Provide for youth outreach opportunities
- Provide college scholarships to youth remaining drug free
- Service volunteer committees
- Disseminate literature at events and community sites
- Localize county based prevention activities

A membership application is included with this letter for your review. Please note there are also Community Investor Sponsorship levels available as well as in-kind opportunities. As a 501(c)3 organization, **your donation to us is tax-deductible.**
